**NATIONAL CODE OF PRACTICE FOR REGISTRATION AUTHORITIES AND PROVIDERS OF EDUCATION AND TRAINING TO OVERSEAS STUDENTS 2007**

**PART C REGISTRATION ON CRICOS**

Course/s can only be approved for registration on the *Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS)* where the course meets the following requirements:

**SECTION 7 Course duration**

**7.1** The registration of a course on CRICOS must include the expected duration of the course. The registered duration cannot exceed the time required for completing the course on the basis of the normal amount of full-time study. Only courses which can be undertaken on a full-time basis can be registered on CRICOS. A course will not be registered on CRICOS unless it meets the relevant Australian Qualifications Framework requirements or those of any other appropriate quality or accreditation framework, if an appropriate framework exists.

**Original finding:** Requirement met

**Following rectification:** n/a

**7.2** For English Language Intensive Courses for Overseas Students (ELICOS), a course duration range may be specified on CRICOS as the study duration will vary according to each student’s learning goals which will be reflected in the expected duration of study specified on the students’s Confirmation of Enrolment (CoE). ELICOS courses remain subject to the requirement in paragraph 7.1 that only full-time courses can be registered on CRICOS.

**Original finding:** Not reviewed

**Following rectification:** n/a

**7.3** The designated authority must take into account the proposed course structure when determining the appropriate duration for registration on CRICOS (that is, the number of compulsory terms or semesters each academic year). The registered duration of the course must include approved holiday periods and any approved period of of work-based training. When the course duration is not specified by the accrediting authority, the designated authority will determine the course duration based on a minimum of 20 scheduled course contact hours per week.

**Original finding:** Requirement NOT met

**Following rectification:** n/a

*Reasons for requirement not having been met:*

Evidence Submitted:

- Training and assessment strategy – *CHC30113 Certificate III in Early Childhood Education and Care*
- Training and assessment strategy – *CHC50113 Diploma of Early Childhood Education and Care*
- International Student Handbook

- Student handbook does not provide consistent and accurate information to students with regards to compulsory terms or semesters each academic year. Page 12 states that a ‘compulsory study period (6 months = 1 term)’, whereas page 22 defines an academic year consists of 12 compulsory study periods. Page 23 states that 1 term or 1 study period = 4 weeks.
- Student handbook advises students that they will commence their ‘in-salon’ training or

experience once 75% of course hours have been completed. In contrast, the TAS indicates workplacements will commence once all formal training has been completed. Furthermore, the reference to a 'salon' was confusing as the applicant did not demonstrate access to, or the requirement for a 'salon'.

- The applicant had applied to deliver the *CHC50113 Diploma of Early Childhood Education and Care* course over a duration of 90 weeks with 120 hours of workplacement. The applicant has subsequently submitted an amended application that proposes to deliver this course over 118 weeks with 240 hours of workplacement. The training and assessment strategy did not align with this application amendment.

*In order to meet this requirement the organisation is required to:*

- Provide amended student handbook to ensure that clear and accurate information is provided to students; and
- Provide amended training and assessment strategy for the *CHC50113 Diploma of Early Childhood Education and Care* course to align with the revised application.

*Analysis of rectification evidence:*

- Evidence yet to be supplied

## SECTION 8 Work-based training

- 8.1 Work-based training must only be approved by a designated authority as part of a CRICOS-registered course where:**
- it must be undertaken to gain the qualification, and**
  - the registered provider has appropriate arrangements for the supervision and assessment of overseas students in place.**

**Original finding:** Requirement NOT met

**Following rectification:** n/a

*Reasons for requirement not having been met:*

- The applicant identified 4 early childhood facilities that they intend to use to allow students to complete their mandatory workplacement. Evidence was not provided to demonstrate that the applicant has assessed these particular facilities to ensure their suitability nor provided evidence of having access when required.

*In order to meet this requirement the organisation is required to:*

- Provide evidence to demonstrate that the applicant has assessed the facilities they intend to utilise to ensure their suitability, and provide evidence of having access to them when required.

*Analysis of rectification evidence:*

- Evidence yet to be supplied

## SECTION 10 Arrangements with other providers

- 10.2 The designated authority needs to be advised in writing of all providers to be involved in providing a registered course, the role played by each provider in the delivery of the course and the single provider recommended to be registered for the course. The designated authority will assess the provider's suitability for registration in light of its connection with and responsibility for the course.**

**Original finding:** Requirement met

**Following rectification:** n/a

## SECTION 12 Maximum number of students

**12.1 As part of the registration approval process, the designated authority will decide whether to approve the maximum number of students that a provider can enrol. In making this decision, the designated authority will consider the capacity of the provider in terms of its premises, approved arrangements with other providers, facilities, resources, equipment, materials and ratio of staff to student numbers.**

**Original finding:** Requirement NOT met

**Following rectification:** n/a

*Reasons for requirement not having been met:*

- The applicant did not demonstrate that they had sufficient trainers/assessors available where needed to deliver training and assessment in accordance with their training and assessment strategy.

*In order to meet this requirement the organisation is required to:*

- Provide evidence to demonstrate that they will have sufficient trainers/assessors available when needed with reference to their approved student capacity.

*Analysis of rectification evidence:*

- Evidence yet to be supplied

*Reasons for finding of non-compliance:*

Training and assessment strategies:

- CHC30113 Certificate III in Early Childhood Education and Care
- CHC50113 Diploma of Early Childhood Education and Care
- The applicant identified 4 early childhood facilities that they intend to use to allow students to complete their mandatory workplacement. Evidence was not provided to demonstrate that the applicant has assessed these particular facilities to ensure their suitability nor provided evidence of having access when required.
- Assessment schedule for the *CHCECE007 - Develop positive and respectful relationships with children* plans to assess the practical skills of students during week 27. As the applicant is unable to simulate the required 'outdoor facility' at their training centre, they will not be able to conduct this activity until the student is at their workplacement.
- Assessment schedule for the *CHCECE003 - Provide care for children* requires students to demonstrate their ability to ensure the smooth transition of new arrivals in week 20. The applicant acknowledged that this activity would be assessed in the workplace, and therefore

towards the end of the course schedule.

- The applicant advised that they were still in the process of amending/contextualising the latest version of learning and assessment materials (Karen Kearns).

*In order to become compliant, the organisation is required to:*

- Provide evidence to demonstrate that the applicant has assessed the facilities they intend to utilise to ensure their suitability, provide evidence of having access to them when required;
